## CHRIST CHURCH

S Works Construction Corp.  
5602 General Washington Dve  
Alexandria V.A. 22312.

Att: Mr. Joseph D. Salama.

S Works has just completed a large office renovation project for Christ Church. I am taking this opportunity to write to you to express my complete satisfaction with the work performed.

Your staff and sub-contractors were well organized courteous and efficient from the start to the finish of the project. The job was completed ahead of schedule and to budget. The efforts of Mr. Pates and Mr. Newman were outstanding. Mr. Pates addressed numerous additional "fiddly" jobs that have been in the too-hard basket for years.

In my 35 years of managing properties your company has provided the best service I can remember. This letter is to thank you for making my job that much easier and please do not hesitate to use me as a reference in the future.
