Dear Mr. Salama,

Now that the build out of SkyOnline offices in McLean is complete, it would be very remiss of me if I didn't recognize the excellent work performed by your staff on this project. I would like to extend a personal thank you for a job well done.

I have followed the progress of the project closely, and I was very impressed with the commitment of the team to complete the project on schedule in a professional manner with the highest of quality workmanship.

I would particularly like to acknowledge the dedication to excellence by Desi Gonzalez, the project superintendent. Desi was tireless in rectifying any problem however minor and was always extremely professional and courteous.

As you requested, as soon as we have completed furnishing the offices I would be delighted for you to take photographs.

Sincerely,

A handwritten signature in blue ink, appearing to read "Claude R. Burgio".
