Dear Joe:

On behalf of the 550 members of the Sleepy Hollow Bath and Racquet Club I would like to thank you and the members of your team in completing the construction and renovation of our upper pump house. Your level of professionalism has been outstanding throughout the process. You and your team's responsiveness to issues and challenges has been met with creative solutions in a prompt and fair manner. Most importantly, the quality of your work is exceptional.

I appreciate the relationship we have built over the past year when we first discussed the project. Your bid was competitive and fair. Through the initial stages of drawing up the plans and assessing our needs, through the various challenges with the permitting process and finally through building, your commitment to quality work and an expeditious completion of the project is appreciated. You were always willing to listen to any concern and make adjustments along the way to resolve any problem or change needed.

Again, thank you for all your help.

Sincerely,

A handwritten signature in black ink, appearing to read "James M. Simonson".
